Berardino Carrozzi Scholarship Awards

Dear Member:

APRIL 2023

We are pleased to announce our 19th annual Scholarship Awards program for the 2023/2024 academic year. The Trustees will award **10** scholarships for the dependent children of LIUNA Local 527 members; \$3,000.00 will be awarded to selected applicants attending a **Canadian** University and \$2,000.00 will be awarded to selected applicants attending a **Canadian** College for the **2023/2024** academic year.

The Scholarships are not restricted to first-year students and may be awarded more than once. Also, more than one scholarship can be awarded to the same family with two or more dependents attending post-secondary school.

Please note that the Scholarships are restricted to members' children and **members are not eligible to apply.**

LIUNA Local 527 Scholarship Fund will continue to offer children of qualifying members a Student Grant of \$500.00 if they have successfully completed the 2022/2023 academic year at a college or university and did not receive a scholarship award for that academic year.

The Scholarship Application Form and the Reference Form to apply for the Scholarship Awards and the Student Grant Application form to apply for the Student Grant can be found and are accessible on our website at <http://liunalocal527.com/benefits/scholarship-fund/scholarship-fund-forms/>. You can also access the Judges' Evaluation Sheet for information on how the Scholarship Applications are scored.

We recommend that you provide this information to your son and/or daughter that may qualify under the eligibility rules listed below. If unable to obtain the necessary documents online, please contact our office to request the forms that you require.

Please note students already attending post-secondary school who are on a full scholarship are not eligible for a scholarship award but may be eligible for the \$500.00 Student Grant.

There are two phases to the selection process. During Phase 1, applications submitted will be reviewed by the Trustees of the LIUNA Local 527 Scholarship Fund to determine the eligibility of the member.

In Phase I for all applicants to proceed to Phase II, members must meet the following criteria:

1. They must be working under a collective agreement requiring the Employer to make contributions to the Scholarship Fund.
2. They must have accumulated 500 hours in a 12-month period commencing January 1, 2022.
3. They must be in good standing with the union during the selection and awards process and during the accumulation of the above hours. For grants, members must be in good standings for 12 months consecutively (prior to applying).

If the member is determined eligible, the application will proceed to Phase II.
